# Our Services

## PROPERTY MANAGEMENT

Property Management enhances your real estate value with tenant leasing, rent collection, maintenance, legal compliance, and marketing, all tailored to your property's needs.

## INTERIOR WORKS

Interior Works improve indoor spaces with services like flooring, HVAC, lighting design, furnishings, and space planning, creating functional and stylish environments.

## MEP WORKS (MECHANICAL- ELECTRICAL-PLUMBING)

KA Facility Management Services offers expert MEP solutions, including plumbing, repairs, maintenance, bathroom fittings, water heaters, piping, tank cleaning, etc.

### **OPERATIONS & MAINTENANCE - STP - WTP - SWIMMING POOL**

Swimming Pool & Plant Operational Works provide efficient maintenance and operation of STP/WTP systems, swimming pools, and industrial plants, including upgrades and training.

### **SECURITY SERVICES**

Security Services offers reliable protection with manned guarding, mobile patrols, alarm response, CCTV, access control, and event security for all client needs.

### **HOUSE KEEPING**

Our team uses best cleaning practices with color-coded microfiber cloths and Unger mops. Services include deep cleaning, sofa and carpet cleaning, kitchen and bathroom cleaning, car washing, pest control, and disinfection.

## **FIRE PROTECTION SYSTEM WORKS & INDUSTRIAL SAFETY SOLUTIONS**

Fire Protection System Works provides design, installation, and maintenance of fire systems, including sprinklers, alarms, extinguishers, suppression, and emergency lighting for residential, commercial, and industrial clients.

## **AC INSTALLATION & MAINTANANCE**

We provide expert AC installation, maintenance, and repair services for split and window units, ensuring top-quality service and customer satisfaction.

## **GARDENING AND LANDSCAPING**

KA Gardening Works offers expert landscaping and gardening services, including design, maintenance, irrigation, tree care, hardscaping, and seasonal decor for homes and businesses.
